

Physiotherapist — Peak Physiotherapy

-Time & Full-Time Positions Available

The Yuki Group operates two of Niseko Village's leading sports and wellness spas - blending traditional Japanese bodywork with modern sports science for guests from around the world, through our partnership with Peak Physiotherapy.

We're looking for a skilled, personable Physiotherapist to support our guests' recovery, mobility, and performance during Niseko's busy ski season.

What you'll do

- Deliver physiotherapy consultations and assessments for guests, including skiers, boarders, and hotel visitors
- Provide strength and rehabilitation sessions in the gym setting
- Willingness to perform and athletic massage is a huge plus.
- Coordinate care plans with TYG's spa therapists and Peak Physiotherapy
- Maintain treatment records and uphold TYG's clinical and presentation standards

What we're looking for

- Internationally recognized physiotherapy qualification (Japanese Rigaku-Ryohou registration not required)
- Experience with sports injuries, rehabilitation, or athletic populations preferred
- Confident communication in English
- Organized and calm under pressure
- A willingness to assist in all areas of the Spa, to help ensure we have a smooth operation
- Available from the end Early December until mid March

Pay and Benefits

- Base Pay plus commission
- Subsidized accommodation and car if required
- Free Gym and Onsen access
- Staff Meal with every full shift worked
- Choose between a Niseko Village Ski Pass or End of Season Bonus
- Welcome Dinner
- Paid Preseason training Nov 28th–Dec 6th

Why TYG

Join a growing, ambitious spa group at the heart of Niseko's ski season, working alongside internationally trained therapists and physiotherapists in a beautifully designed spa environment.
